ENVIRONMENTAL & ENERGY AWARENESS WEEK (EEAW) CAR SHOW - 4/20 & 4/21: EEAW would like to display cars and trucks from the past 35 years at this year's 35th Anniversary of Environmental & Energy Awareness Week celebration. We are looking for employee's that drive alternative fuel vehicles to display them during the week of April 18th. You have the real world experience of how your car drives; how much fuel you are saving each week; the true experience of your hybrid, electric, CNG, Propane, diesel or even grease vehicle. The displays will be at the O&C Building (front parking lot) on April 20 and in the VAB Parking Lot E on April 21, 2005. You can sign up for both or either locations to display your vehicle. Volunteers will need to have their manager's permission to be on site during the display. If you can not be present during the display, but still would like to display your vehicle that will be allowed. We would like to display as many new technology vehicles as possible; i.e., hybrids, electric, bio-diesel, grease, alternative fuel vehicles that are helping the environment. We are also looking for those vehicles that depict how we have improved through the years. Example: Mustang Mac1 vs. today's Mustang, old hybrid vs. new hybrids, older models of today's new version. Join us by participating in this year's celebration displaying your vehicle! If you're interested, please contact Bruce Chesson, NASA Transportation, at 867-8635. (TA-E1)

ENVIRONMENTAL & ENERGY AWARENESS WEEK CAR SHOW - 4/20 & 4/21: Check out the alternative fueled vehicles on display at the Environmental & Energy Awareness Week activities on April 20 & 21. COLORS OF NATURE, MERRITT ISLAND NATIONAL WILDLIFE REFUGE: The richness and beauty of the Merritt Island National Wildlife Refuge can be viewed in a new series of paintings presented by the Central Florida Plein Air Artists (CFPAA). The upcoming exhibition, "Colors of Nature, Merritt Island National Wildlife Refuge", showcases works in oils, acrylics, watercolors, and pastels, painted on site within the refuge. The show will be held March 18 to April 29, 2005 at the Merritt Island National Wildlife Refuge Visitor Information Center, State Rd. 402 (5 miles east of US 1) in Titusville, Florida. Exhibit hours are Monday-Friday, 8:00 am. to 4:30 pm., weekends 9:00 am.-5:00 pm. Refreshments will be served. Everyone is welcome.

For three months members of Central Florida Plein Air Artists have been recording the wonders of the refuge. The artists have interacted with the environment in all weather conditions to capture the constantly changing light and shadows, colors, cloud formations, birds and wildlife, vistas and waterways. From sunrise to sunset the public has had an opportunity to view the artists at work. Now these paintings will be on display at the Visitors Center.

CFPAA is dedicated to presenting and recording, through their paintings, Florida's fast disappearing natural environment.
